

**REMARKS**

This responds to the Office Action dated April 6, 2007 and the Advisory Action dated June 21, 2007.

Claims 23-27 are canceled. Claims 1-22 and 28-30 are pending in this application and were allowed by the Examiner. Applicant believes canceling the claims places the patent application in condition for allowance and requests entry of the change to the claims under 37 C.F.R. 1.116(b)(1).

**Allowable Subject Matter**

Claims 1-22 and 28-30 were allowed. Applicant acknowledges the allowed subject matter.

**§101 Rejection of the Claims**

Claims 23-27 were rejected under 35 USC § 101 as being directed to non-statutory subject matter. Applicant cancels claims 23-27 with traverse and reserves all rights to pursue the canceled claims in a subsequent patent application claiming the benefit of priority of the present patent application.

**CONCLUSION**

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney at 612-371-2172 to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

KENNETH Y. NG

By their Representatives,
